## 10.2 Finals series player eligibility

Management Committee requirements for players to be eligible to participate in the finals.

- (I) A player must have been properly registered with the club no later than six (6) weeks prior to the commencement of the finals. This specifically and strictly applies to Contracted Players. This includes being registered on Rugby Link in that year of competition.
- (II) All ARU / QRU and ARU Sevens contracted players are eligible provided they comply strictly with the previous requirement.
- (III) All non-contracted players must have played a minimum number of games in separate fixture rounds for the club in that season. That minimum number of games is one third (1/3) of the number of rounds in the competition in that grade for which eligibility is being sought for the player. The fact that a player has met this criteria does not necessarily make them eligible to play in finals in any particular grade, but it is the first criteria which must be met before determining eligibility pursuant to other criteria contained in this clause 7.2.
- (IV) A player will be eligible to play in any semi-final, preliminary final or grand final if he has been in the run on team for the club at least one third (1/3) of the regular competition matches in that grade and/or any lower grades prior to the finals series i.e. eighteen (18) match competition = six (6) matches; seventeen (17) match competition = six (6) matches; sixteen (16) match competition = six (6) matches; fifteen (15) match competition = five (5) matches etc.
- (V) A player will be eligible to play in any grade in any semi-final, preliminary final or grand final if he qualifies under rule 34.2 and the club has all its senior grade teams or under 19 grade teams playing in that final series
- (VI) A player will not be eligible to play in any semi-final, preliminary final or grand final in Premier Reserve if he has only participated in the minimum number of

matches as this rule and one half (1/2) of more of these matches have in been in the run on team in Premier Grade.

- (VII) A player will not be eligible to play any semi-final, preliminary final or grand final in Premier Reserve if he has played one half (1/2) or more of the total number Competition matches played have been in Premier Grade.
- (VIII) A player will not be eligible to play any semi-final, preliminary final or grand final if he is registered less than sufficient weeks prior to the start of the finals series to meet the minimum number of matches required for that grade.
- (IX) A player who satisfies the competition rules regarding eligibility to play in any semi-final, preliminary final or grand final is eligible to play and such eligibility is subject to no player may play for more than one (1) grade team, on the same weekend, in a semi-final, preliminary final or grand final series excepting if that player is replacing an injured player in a higher grade.
- (X) The management committee reserve the right to appoint a sub-committee of the management committee for this purpose of considering eligibility.
- (XI) Eligibility shall be determined by the management committee at its discretion.

### 10.3 Dispensation:

- (I) Management Committee requirements for applications of dispensation for players to participate in the finals.
- (II) Dispensation is at the discretion of the management committee
- (III) All applications, in the prescribed format must be received in accordance with the direction issued by the management committee.
- (IV) Management committee requirements for applications of dispensation for players to participate in the finals.
  - (1) Clubs must indicate the players for whom dispensation is required to play in the grade so selected. Such details must be supplied in writing to the Competition Manager by 3.00 pm on the Monday prior to the match. The Competition Manager will ascertain the eligibility of the players and submit to the Management Committee by 5.00 pm on Tuesday, the names of players who require dispensation to participate in the grades so selected. The Management Committee may exercise its discretionary power to approve application for dispensation.
  - (2) Any club contravening any section of this rule or found to have provided false information will be liable to disqualification or suspension for such time as the Management Committee decides. The club concerned may lose the match for which false information has been supplied or in which an ineligible player took part. The player will be suspended for such time as the Judicial Committee may determine and the Management Committee will ask the club to show cause why further action, including monetary penalty and/or disqualification from future competition, should not be taken against it by the Management Committee.

### 10.4 Specific Guidelines

The following is to be noted:

- (I) Any request received outside the time-lines as detailed will not be considered and will be automatically denied by the Management Committee
- (II) To reiterate, the only discretionary power available to the Management Committee is in regards to injury to the player for whom dispensation is sought or forfeits. Consideration for a player who has played in a higher grade in place of a player who has been selected / played in any representative team is not included within this discretionary power
- (III) An injury or suspension of a different player in a higher grade is not the basis for dispensation for a different player who has played in a higher grade because of his injury or suspension.
- (IV) Because a contracted player for the Reds or any other SuperRugby team plays or has played with the Club is not a basis for dispensation for another player. For clarity what this means is that if you contend that a Reds player would otherwise have been playing in your team had he not been on Reds duty, this is not the basis for dispensation for another player who has played in a higher grade as a result of this occurrence.
- (V) Once a player has played one half or more of the total Competition games, in Premier, he is not eligible for dispensation for selection in the Premier Reserve team for the semi-final, preliminary final and grand final.

# Wet Weather Policy

## 11 Wet Weather Policy

- 11.1 Notwithstanding any of the provisions contained in these rules, the referee has the right to declare the match will not be played and therefore any of the provisions of these rules is subject to the referee's final say pursuant to the Laws of the Game on whether the match will be played.
- 11.2 As the top QRU Competition, Premier; Premier Reserve and Premier Colts Matches – should be given every opportunity to be played.
- 11.3 **Note:** Premier Grade matches must be played on the main ground of the home team. Premier Reserve and Colts matches may be played on another ground. The subsequent rules therefore are subject to that pre-condition. The Management Committee must approve a change of venue. Where the game is transferred to the opposing team's home ground, this does not constitute a swap of home games and the game is deemed to have been played at the ground as per the draw.
- 11.4 Dependent upon the Draw, there may be no spare weekends available for "catch up" games.
- 11.5 Procedure:
- (I) By no later than 1000 on game day, the Host Club contacts the Competition Manager (RSM) to advise their ground is unplayable<sup>1</sup>
- (II) Home Club advised they have access to an alternative venue:
- Home Club advises its participants that the match will be played at the Home Club's alternate venue
- RSM advises Away Club that the match will be played at the Home Club's alternate venue – the Away Club advises its participants
- RSM advises QRRRA (Brisbane) Inc., (QRRRA) that the match will be played at the Home Club's alternate venue – QRRRA advises its participants
- RSM advises QRU Media to alert the Media
- (III) Home Club advise they do not have access to an alternative venue
- RSM then contacts the Away Club to ascertain the availability of its ground
- If Away Club's Ground is available, then:
- Away Club advises its participants that the match will be played at the Away Club's ground
- RSM advises Home Club that the match will be played at the Away Club's ground – the Home Club advises its participants
- RSM advises QRRRA (Brisbane) Inc., (QRRRA) that the match will be played at the Away Club's ground – QRRRA advises its participants
- RSM advises QRU Media to alert the Media
- (IV) If Away Club's Ground is unavailable, then:

RSM in consultation with the Head of Competitions and General Manager: Operations and Stadium and Grounds Manager, will ascertain the availability of Ballymore 2<sub>2</sub>, and if Ballymore 2 is available

RSM advises Home Club that the match will be played at Ballymore No. 2 – the Home Club advises its participants

RSM advise Away Club that the match will be played at Ballymore No. 2 – the Away Club advises its participants

RSM advises QRRRA (Brisbane) Inc., (QRRRA) that the match will be played at Ballymore No. 2 – QRRRA advises its participants

RSM advises QRU Media to alert the Media

(V) If Ballymore is unavailable, then

The above process is repeated for firstly for the next day i.e. Sunday; and if not resolved

The above process is repeated for the immediate Tuesday following the weekend – this may then involve the utilisation of Ballymore No. 1<sub>3</sub>

(VI) If none of the above is not achieved, then

The process will continue for the following Tuesdays up to and including the Tuesday immediately prior to the last fixture round; and if this is not achieved, then

Match will be declared a draw with each Club receiving two (2) Competition Points. No points will be awarded for “for / against” totals.

- 11.6 If a number of matches on the same weekend are like affected, then this may involve a number of matches needing to be re-scheduled.
- 11.7 The RSM shall be the sole arbiter in the event of a dispute under any aspect of the wet weather rule. The decision of the RSM shall not be subject to appeal. The RSM must make a decision on the basis of common sense on the information available to him at the time.
- 11.8 In all cases, the Home Club retains the responsibility of the Match Day requirements e.g. Medical, Ball Boys etc. Arrangements may be made with the Away Club should the match be played at the Away Club’s venue.
- 11.9 In the event that matches are required to be played at Ballymore, RSM would need to be on-site to act as the co-ordinator.

---

It should also be noted that in terms of Law 1.6 (a) and (b), the declaring of an unplayable ground may occur a lot closer to the scheduled kick off time

<sup>2</sup> Ballymore 1, would be unavailable due to the “knock-on” effect re staffing of medical room and access / availability of changing rooms. Dependant on available forecasts, it may be advisable to have Ballymore 2 marked for a game each.

<sup>3</sup> Not all Clubs have grounds that meet the minimum 200 lux average, [as is required for Semi-Professional Competition games](#). The Ballymore Ladies / match day doctor would also need to be available.
